Title of the programme

1. Objectives

Describe the objectives of the thematic programme and provide any relevant information about the subject.

2. Tentative programme

Describe the general structure of the programme, mentioning in particular the courses to be taught and the names of the lecturers. If the programme includes a workshop or a conference, provide a provisional list of speakers.

3. Participants

Describe the scientific background of potential participants and the strategy for attracting them.

4. Budget

Provide a reasonably detailed description of the budget (including the support for young participants). Indicate the total duration of the invited professorships you are requesting.

Please note that the Institute will invest a maximum of €25,000 in a three-week programme. This should be no more than 70% of the total budget managed by the organisers.

5. Miscellanea (optional)

Provide any other information you find relevant.
