

Personal information

Surname(s) / First name(s) **Coletto Diego**

Nationality Italian

Date of birth 03/07/1975

E-mail address diego.coletto@unimib.it; dcoletto@vodafone.it

Relevant professional experiences

Dates 01/11/2012 -

Title of qualification awarded Vice-President of the Degree Course in Organization Sciences

Name and type of employer Università degli Studi di Milano-Bicocca, Milan (Italy)

Dates 01/11/2011 -

Title of qualification awarded Assistant professor of Sociology of Economic Processes and Work

Principal subjects/occupational skills covered Research and teaching

Name and type of employer Università degli Studi di Milano-Bicocca, Milan (Italy)

Dates 01/10/2008 – 01/09/2011

Title of qualification awarded Research assistant

Principal subjects/occupational skills covered During the period 2008-2011 he worked, as research assistant, on the research project "Labour flexibility: policies, social actors' strategies and collective bargaining". The project extended the research activities conducted in the previous research program "Labour flexibility, organisational strategies and worker protection: a public-private comparison". He studied relevant literature on the topic and has conducted some case studies. Professor Lorenzo Bordogna (Department of Labour and Welfare Studies at the University of Milan) was the scientific co-ordinator of the research project.

Name and type of employer Università degli Studi di Milano, Milan (Italy)

Dates 01/06/2007 – 01/06/2008

Title of qualification awarded Research assistant

Principal subjects/occupational skills covered From June 2007 to June 2008, he had a one-year contract for the research project "Labour flexibility, organisational strategies and worker protection: a public-private comparison". He conducted several case studies. He wrote, with Roberto Pedersini, a chapter for the book M.G. Garofalo and G. Leone (eds., 2009). *La flessibilità del lavoro: un'analisi funzionale dei nuovi strumenti contrattuali*. Bari: Cacucci. Professor Lorenzo Bordogna was the scientific co-ordinator of the research group of the University of Milan.

Name and type of employer Università degli Studi di Milano, Milan (Italy)

Dates 30/11/2005 - 30/11/2006

Title of qualification awarded Research assistant

Principal subjects/occupational skills covered	From November 2005 to November 2006, he had a one-year contract for research activity at the Department of Welfare and Labour Studies of the University of Milan, where he worked on the research project "Privatisation and liberalisation of public services in Italy and Europe. The issues of governance and the effects on the regulation of labour". In particular, he studied the privatisation and liberalisation processes in the Italian public transport, conducting two case studies. Professor Lorenzo Bordogna was the scientific co-ordinator of the project.
Name and type of employer	Università degli Studi di Milano, Milan (Italy)
Dates	01/10/2002 - 30/03/2004
Title of qualification awarded	Junior researcher
Principal subjects/occupational skills covered	From October 2002 to March 2004 he took part at the national project "Competencies for the flexible work". The project was financed by the Ministry of Labour and Social Policies under the European Social Fund and was promoted by the Fondazione Regionale Pietro Seveso of Milan and the Italian Metal-Mechanical Federation (Federazione italiana metalmeccanici, Fim-Cisl). He participated both to the fieldwork and to organisational and administrative activities. He was one of the authors of the CD-ROM.
Name and type of employer	Fondazione Regionale Pietro Seveso, 42, Viale Fulvio Testi, 20099, Sesto San Giovanni (MI) – Italy.

Research experiences

Dates	01/09/2015 -
Title of qualification awarded	Researcher
Principal subjects/occupational skills covered	He participates to the European research project "Growth, Equal Opportunities, Migration and Markets" (GEMM). The main contribution of this project is to advance our understanding of ethnic inequality as a central barrier to the optimal functioning of the European labour market and thus to growth and innovation. The GEMM project addresses the "Migration, Prosperity and Growth Dimension" of the call on the European Growth Agenda which is included in the Horizon 2020 Programme.
Name of organisation which coordinates the research project	Department of Sociology and Social Research, University of Milano-Bicocca, Milan (Italy)
Dates	01/01/2015 -
Title of qualification awarded	Researcher
Principal subjects/occupational skills covered	He participates to the research project What is governed, who governs (WHIG). The project aims at analysing the regulation systems that govern various policy fields in Milan, Italy. The project is included in the International research project Cities are Back in Town, coordinated by Patrick Le Galès.
Name of organisation which coordinates the research project	Department of Sociology and Social Research, University of Milano-Bicocca, Milan (Italy)
Dates	01/01/2014 – 30/07/2015
Title of qualification awarded	Researcher
Principal subjects/occupational skills covered	He participated to the research project "Air traffic controller: operating in high reliability organizations between effectiveness and safety". The research project aimed at describing and analysing the daily practices of air traffic controllers. For this project, he participated to the empirical research conducted in two Italian centres of coordination and two airport towers. Professor Maurizio Catino was the scientific coordinator of the research program.
Name of organisation which coordinates the research project	Department of Sociology and Social Research, University of Milano-Bicocca, Milan (Italy)
Dates	01/12/2012 – 01/06/2014
Title of qualification awarded	Researcher
Principal subjects/occupational skills covered	He participated to the research project "The cooperation among firms activating innovative processes". For this project, he participated to the empirical research and he wrote, with Valentina Pacetti, the case study on network contracts in Piedmont. Professor Serafino Negrelli was the scientific coordinator of the research program.
Name of organisation which coordinates the research project	Università degli Studi di Milano-Bicocca, Milan (Italy)

Dates	01/10/2009 – 30/03/2011
Title of qualification awarded	Researcher
Principal subjects/occupational skills covered	He participated to the project “The economic crisis in Lombardy: job-losses and economic and social consequence”, promoted by the Cariplo Foundation and coordinated by the Department of Social and Political Studies of the University of Milan (Italy). Professors Maurizio Ambrosini, Marco Maraffi, and Roberto Pedersini were the scientific coordinators of the research program. For this project, he coordinated the research units engaged in the fulfilment of 60 in-depth interviews with people who recently lost their jobs, and in the observation and analysis of activities developed in public and private job placement agencies. Moreover, he examined policies introduced by the Italian government and by the Lombardy Region in order to reduce the negative effects of the recent economic crisis on the employment and on the productive system.
Name of organisation which coordinates the research project	Università degli Studi di Milano, Milan (Italy)
Dates	01/03/2010 – 01/06/2011
Title of qualification awarded	Researcher
Principal subjects/occupational skills covered	He participated to the project “Economic crisis and restructuring processes: Corporate social responsibility and industrial relations in Brazil and Italy”. Professor Roberto Pedersini - of the Department of Social and Political Studies, University of Milan (Italy) - was the scientific coordinator of the program. The research project was developed both in Italy and in Brazil, with the cooperation of some Brazilian universities. He studied the relevant literature regarding the corporate social responsibility and industrial relations, with a particular focus on the Italian environment.
Name of organisation which coordinates the research project	Università degli Studi di Milano, Milan (Italy)
Dates	01/03/2006 – 01/07/2014
Title of qualification awarded	Researcher
Principal subjects/occupational skills covered	Since March 2006 he worked, as a researcher of the Italian National Centre, for the European Restructuring Monitor (ERM, www.eurofound.europa.eu/emcc/erm/index.php). ERM is a project of the European Foundation for the Improvement of the Working and Living Conditions (Eurofound). For the ERM, he wrote some national contributions for comparative studies and he made monitor activities on restructuring cases in Italy.
Name of organisation which coordinates the research project	European Foundation for the Improvement of the Working and Living Conditions, Dublin (Ireland).
Dates	01/11/2007 – 31/07/2008
Title of qualification awarded	Researcher
Principal subjects/occupational skills covered	He participated to the “Industrial Relations Foresight 2025”, a project promoted by European Foundation for the Improvement of the Working and Living Conditions. He participated to the seminars in Geneva (November 2007) and in Helsinki (June 2008). He prepared the Italian profile presented during the Geneva seminar.
Name of organisation which coordinates the research project	European Foundation for the Improvement of the Working and Living Conditions, Dublin (Ireland)
Dates	10/05/2004 – 30/11/2004
Title of qualification awarded	Researcher
Principal subjects/occupational skills covered	For his PhD thesis, he conducted an ethnographic research in Porto Alegre (Brazil). He observed and analysed some informal economic activities, with a particular focus on the garbage collectors and street vendors’ activities. Moreover, he analysed policies aimed to “formalise” the informal economy. Some parts of the fieldwork conducted in Brazil were elaborated and included in the book: Coletto, D. (2010). <i>The Informal Economy and Employment in Brazil. Latin America, Modernization, and Social Changes</i> . New York: Palgrave Macmillan.
Name of organisation which coordinates the research project	Università degli Studi di Brescia, Brescia (Italy)

Dates	01/03/2003 – 01/07/2014
Title of qualification awarded	Researcher
Principal subjects/occupational skills covered	Since March 2003 he worked, as a researcher of the Italian National Centre, for the European Industrial Relations Observatory (EIRO). EIRO is a project of the European Foundation for the Improvement of the Working and Living Conditions (Eurofound). For the EIRO, he wrote several articles and national reports on Italian industrial relations, which have been published on the EIRO web site.
Name of organisation which coordinates the research project	European Foundation for the Improvement of the Working and Living Conditions, Dublin (Ireland).
Other research activities	As said in the previous section “Relevant professional experience”, during the period 2002-2010, he participated to the research projects “Labour flexibility: policies, social actors’ strategies and collective bargaining”, “Labour flexibility, organisational strategies and worker protection: a public-private comparison”, and “Privatisation and liberalisation of public services in Italy and Europe. The issues of governance and the effects on the regulation of labour”, coordinated by the Department of Labour and Welfare Studies, University of Milan; and to the project “Competencies for the flexible work”, coordinated by the Fondazione Regionale Pietro Seveso of Milan and the Italian Metal-Mechanical Federation (Fim-Cisl).

Teaching experiences

Dates	01/04/2015
Title of qualification awarded	Teaching
Principal subjects/occupational skills covered	Seminars “Inside participant observation” for PhD candidates. School of PhD in Comparative and International Studies in Social Sciences (SCISS).
Name and type of organisation providing education and training	University of Milano-Bicocca, Milan (Italy)
Dates	30/01/2015 – 20/03/2015
Title of qualification awarded	Teaching
Principal subjects/occupational skills covered	Course in “Innovation and local development”. Degree Course in Organization Sciences.
Name and type of organisation providing education and training	University of Milano-Bicocca, Milan (Italy)
Dates	27/03/2014, 01/04/2014
Title of qualification awarded	Teaching
Principal subjects/occupational skills covered	Seminars “Inside participant observation”, “Practices of participant observation” for PhD candidates. School of PhD in Comparative and International Studies in Social Sciences (SCISS).
Name and type of organisation providing education and training	University of Milano-Bicocca, Milan (Italy)
Dates	20/01/14 – 18/03/14
Title of qualification awarded	Teaching
Principal subjects/occupational skills covered	Course in “Sociology of Development”. Degree Course in Sociology.
Name and type of organisation providing education and training	University of Milano-Bicocca, Milan (Italy)
Dates	02/10/13 – 16/12/13

Title of qualification awarded	Teaching
Principal subjects/occupational skills covered	Course in "Innovation and local development". Degree Course in Organization Sciences.
Name and type of organisation providing education and training	University of Milano-Bicocca, Milan (Italy)
Dates	21/02/13, 01/03/13, 27/03/14, 01/04/14
Title of qualification awarded	Teaching
