
PROJET SCIENTIFIQUE

Carl COLEMAN

Scientific Activities of Carl COLEMAN

Carl COLEMAN is formally being asked to participate in the scientific activities of LEJEP and the School of Law because of his background in Health Law, Public Health Law, Bioethics, International Human Rights Law, Torts, Business Law, Federal Income Taxation, and European Union Law. He is being asked to teach in the realm of Compliance as it relates to his several specializations. In addition, he will be asked to share knowledge and experience based on his research as Director of Seton Hall Law's Division of Online Learning—overseeing the development, teaching, and evaluation of approximately 15 online graduate courses for working professionals seeking to enhance their knowledge of legal, regulatory, and policy issues. He will also share his knowledge and experience from working for Center for Health & Pharmaceutical Law & Policy: producing white papers, organizing conferences, and providing executive education to professionals in the pharmaceutical and medical device industries. He has been invited in October 2014.
