Overview of the Guesthouse

Welcome to the International Research Guesthouse

Our guesthouse is composed of 18 apartments:
from 1- to 3-room units on two sites in Neuville-sur-Oise and Cergy

All apartments have a fully equipped kitchen and a WIFI connection.

Upon arrival

Please report to the manager's office (1st floor, room H 107) in order to perform the check-in procedure and the deposit imprint.

For all stays of one week or more, an inventory of fixtures will be made upon your arrival and departure. In case of any damage or missing object, repairs and replacements will be at your expense (refer to the price list).

Common space / Laundry room

A common space is at your disposal.
It consists of a lounge area, a dining room and a fully equipped kitchen.

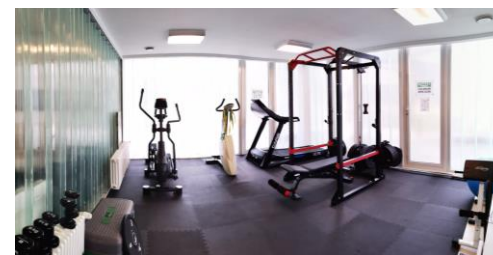

The common space also includes a self-service laundry room.
However, you need to bring your own detergent.

Do not hesitate to contact the manager for any information and assistance.

Gym room

The gym room is in free access. Due to the health conditions, no more than 2 people is allowed at the same time.

Please book your time slot with the gym manager – Jacques Fragoso –
jacques.fragoso@cyu.fr

Housekeeping / Linen services

The cleaning of your apartment and the change of linen is done once a week.
If you notice any defect in maintenance, do not hesitate to report it to the manager.

Videophone

Each apartment has a videophone, which allows you to secure access to the house for visitors. To contact you in your apartment, visitors will need to look up your apartment number in the directory and ring the bell.

The videophone enables you to view your visitors on video, talk to them ("Talk" button) and open the door ("Key" button).

Specific needs

Need an iron and an ironing board? A universal adapter for your electronic devices? A luggage scale? Any other request? The Gueshouse also proposes the loan of a barbecue for outside friendly moments.
